Achieving the Certificate in Fundraising Management

The Institute of Fundraising's Certificate in Fundraising Management is the UK's professional qualification for fundraisers. The Certificate is Certified by the European Fundraising Association and recognised across Europe as a leading fundraising qualification. You cannot be awarded the Certificate unless you are a current member of the Institute of Fundraising.

To book call DSC on 0207 391 4805 or for more information about the Certificate, visit www.institute-of-fundraising.org.uk or contact the Institute on 020 7840 1020.

The Fundraising Programme's route to the two module Certificate is based around two courses: The Foundation Course in Fundraising Practice and Managing Fundraising. Successful completion of these courses and their assignments leads to qualification for the award of the Certificate in Fundraising Management and the postnominals MInstF (Cert), subject to Institute of Fundraising membership as outlined below.

1. THE FOUNDATION COURSE IN FUNDRAISING PRACTICE

Register and pay both the course and registration assessment fees with the Fundraising Programme. On the course you will be given an assignment that will be assessed by your trainer. You must complete the assignment within one year.

Once the Institute has validated your assignment you will be awarded the Fundraising Practice module of the Certificate in Fundraising Management and upgraded to a Full Member - MInstF of the Institute. Please contact the Institute of Fundraising for more information.

2. THE MANAGING FUNDRAISING COURSE

Assessment for the course is through completion of a portfolio of evidence. Further information on this will be provided on the course. Once both courses have been completed and have been validated by the Institute of Fundraising, you will be eligible for the award of the Certificate in Fundraising Management and an upgrade to Institute Full Certificated Member status – MInstF (Cert).
