

Thank you for being a part of our story.

As we celebrate our tenth anniversary, we're looking back on all the incredible things supporters like you have helped us accomplish over the past decade, and we want to say thank you.

Your support to charity: water has helped bring clean and safe water to more than 6.3 million people.

This Monday, we're celebrating by launching the biggest film in charity: water history.

Our founder, Scott, wanted to tell you about it personally.

On behalf of everyone at charity: water, thank you for being a part of our story. We can't wait to see what we can do together.
