No Modules: 2

Duration: 30min

Level: Introductory

Module 1: Decision Making

What's covered?

Decisions need to be made on a daily basis, but what is the best way to make a decision? This module looks at the ICES process and the use of a decision matrix to help you to make a choice.

Module 2: Challenging the Status Quo

What's covered?

Challenging the Status Quo is a vital part of business development, as those that stand still are likely to fail. This module explores the importance of ancestral and adventurous thinking in the decision making process and uncovers some useful exercises to help you to think outside of the box and gain a fresh perspective. Finally we will explore the combination of logic, experience and intuition in making sound decisions.
