

Introduction to Training Skills

Been thrown in at the deep end to deliver a training session? This course will give you a basic understanding of preparing and delivering a great training session.

No of Modules: 1

Duration: 15min

Level: Introductory

Module 1: Training for Non-Trainers

What's covered?

Employees are often required to learn new skills. You don't have to be a professional trainer to deliver a lesson. This module will look at the different training methods and the pros and cons of each. The creation of a lesson plan is essential for any training session and this module will guide you through the process.
