# Charity Leaders' Summit

LEADING THROUGH CHALLENGING TIMES

“ Leadership is a choice you make about how to behave... authority is not leadership. You have to make a conscious choice to engage in the leadership thinking and behaviour that turns a job title into a leadership role. ”

Debra Allcock Tyler, CEO, Directory of Social Change,  
author of best selling book: *It's Tough at the Top*.

# Charity Leaders' Summit

## A DAY OF TOP LEVEL DISCUSSION

Spend the day learning from exceptional leaders and hear how they overcame challenges similar to those you're facing. You will leave inspired, with fresh perspectives and renewed purpose.

Our inspirational programme includes keynotes, panel discussions, case studies and ample networking time, and most importantly will allow you, as a charity leader, time to reflect.

Build bonds with a whole bunch of leaders from a diverse range of charities

Get sound advice from those who are where you want to be and flourishing

Revel in the passion and experience of fellow charity leaders and future-shapers

Debate the critical strategic issues facing the charity sector today

Ask questions, get answers and perfect your game plan
