

Fundraising Session	Personal Development Session
<p data-bbox="204 320 671 349">Fundraising – Strategy and Writing</p> <p data-bbox="204 398 774 660">This session will explore both the strategy and the written side of fundraising. We will start by looking at how to identify your current and prospective projects, thinking about how to document these projects as well as how to keep funders informed of progress.</p> <p data-bbox="204 710 778 853">We will then move on to looking at how professional fundraisers operate, managing their time and resources to ensure they can write empowered fundraising bids.</p>	<p data-bbox="810 320 1286 349">Emotional Resilience in Fundraising</p> <p data-bbox="810 398 1380 696">Being a fundraiser is a difficult and yet inspiring role that contributes to the sustainability and success of an organisation. Whether new to the role or already having some or a great deal of experience, finding ways to remain resilient through change and challenge is vital to ones’ mental and physical wellbeing.</p> <p data-bbox="810 745 1321 889">This session will consider the impact of stress and ways to mitigate it allowing individuals to feel more personally effective.</p>
