

The changing face of charity finance

Simon Hopkins
Originating author – '*The Finance Journey*'

Executive summary

It's pretty tough right now,
isn't it?

2015 and all that...

Closing keynote – ‘Administrator or Leader?’

Open season on charities

Public expectations on
management of charities

Sustainability and strategic finance

VFM

Impact, transparency and
accessibility

The lonely CEO

The “look across”

A business with a heart

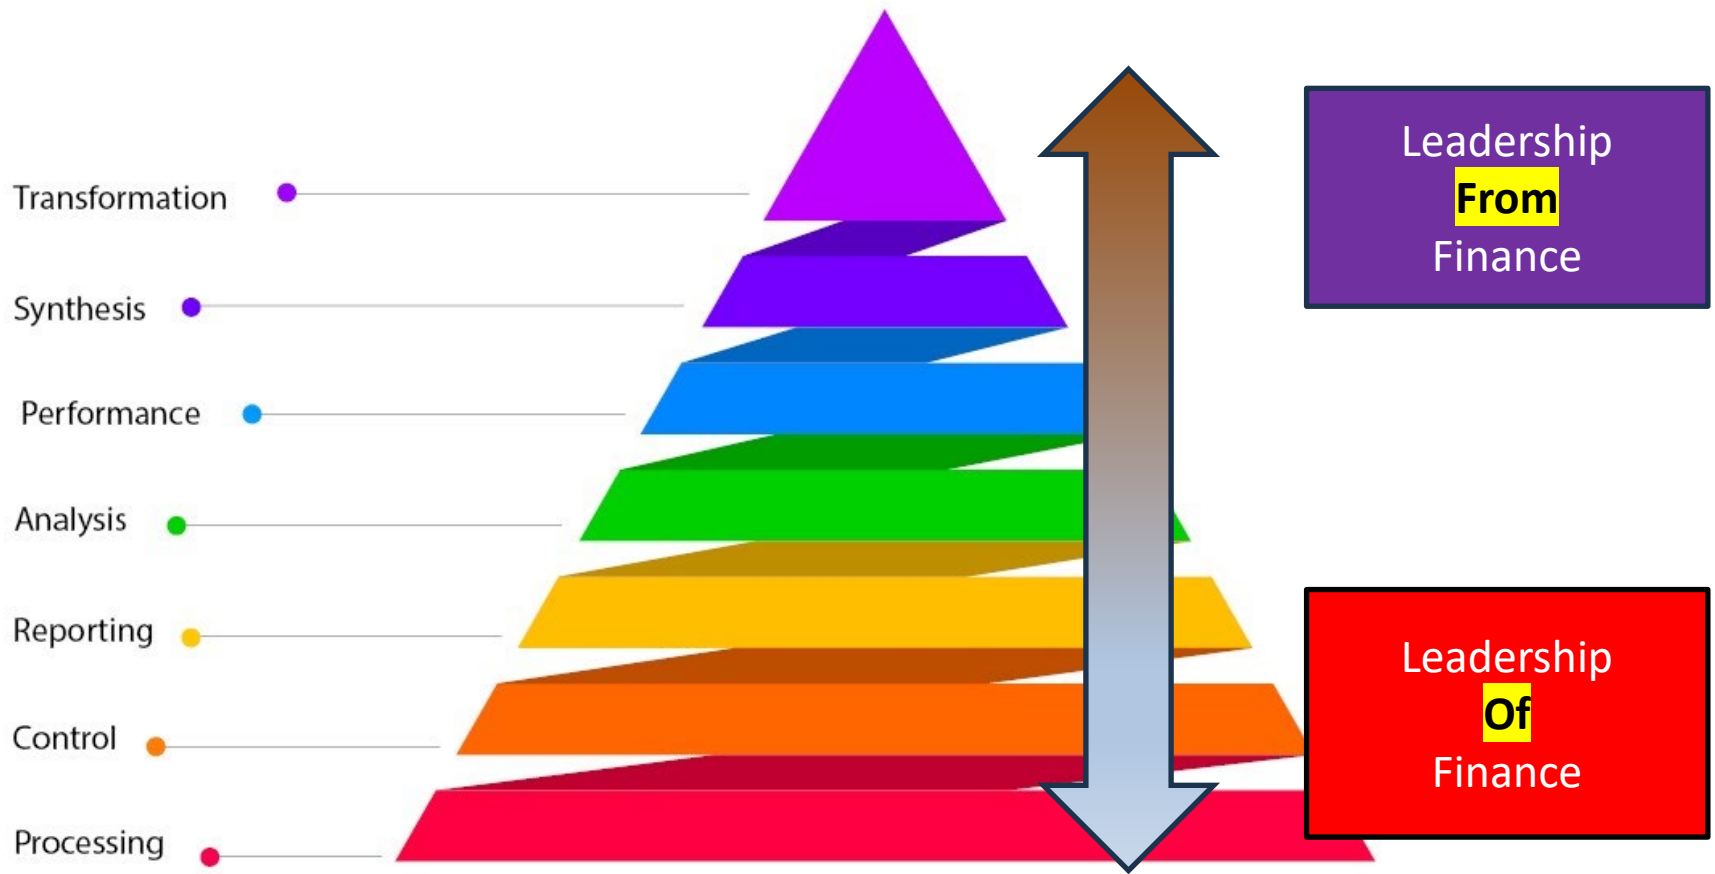

**But also – change in
narrative on charity
finance**

CONTENTS

The Finance Journey

Forces for Change

Technological change

Forces for Change

Technological change

Regulatory change

Forces for Change

Technological change

Regulatory change

Social attitudes

Forces for Change

Technological change

Regulatory change

Social attitudes

Economic change

So, in summary:

From:

Great controls

Effective and timely
reporting

To:

Organisational architect and designer

Champion of moral and ethical risk

Champion of great compliance culture

Storyteller

Educator

Driver of strategy and culture

But.....

What future do we choose?

Thank you for listening

Any questions?
